ONTARIO • For the fifth time, Desert Valley Hospital has been ranked among the nation's Top 100 Hospitals in the category of small community hospitals, according to a Thomson Reuters survey.

The study evaluated hospitals in 10 different performance categories: mortality, medical complications, patient safety, average length of stay, expenses, profitability, patient satisfaction, adherence to clinical standards of care, post discharge mortality and readmission rates for acute myocardial infarction, heart failure, and pneumonia.

Thomson Reuters evaluated nearly 3,000 short-term, acute care, non-federal hospitals, according to a news release.
